Notes:

- **Original parts are not included in the body kit price.** Additional parts have to be bought separately. We can buy all the needed parts and add them to the final bill.
- Lamborghini 5.0 owners need to buy SuperLeggera facelifted headlights & aventador taillights
- Bodykit preparation time: 7 – 10 working days after payment.
- Assembly, varnishing time: 4 – 6 weeks depending on the accessibility of parts and additional services on clients' request.
- Recommended assembly only in professional tuning workshops.
